

TORREY PINES ELEMENTARY SCHOOL  
**SCIENCE DISCOVERY DAY**  
**SAVE THE DATE:**  
**WEDNESDAY \*\*\* MARCH 28, 2012**

**CALL FOR PRESENTERS AND EVENT VOLUNTEERS**

For the past 16 years Science Discovery Day has been the most popular school-wide educational event at Torrey Pines Elementary. All students participate in a morning filled with hands-on, age-appropriate science and technology activities. There are **three 30-minute activity sessions** and each student gets to experience 3 different science activities. With our record student population this year we need a record number of presenters- which means we need YOUR help to make this amazing morning a reality!

Are you a professional in a science or technology related field? Do you know a fun, unique, or gross science activity or experiment? Are you gifted at working with small groups of children? Great! Science Discovery Day wants you! Please volunteer to be a presenter at the 17<sup>th</sup> Annual TPES Science Discovery Day. If you have friends or neighbors in the sciences please encourage them to participate in the fun. It is the presenters that make this day such a joy for the students every year.

To join us for a morning of fun and learning, please complete the form below and return it to the Torrey Pines Elementary School office. For more information or to discuss ideas for your presentation, please contact the event organizers:
