

Every September, everyone needs to re-register TPES as their Ralphs Rewards and Food 4 Less Rewards beneficiary.

How it works:

- Take this form the next time you go shopping at Ralphs and hand it to the cashier to scan within your order IN ADDITION to either your Rewards Card, or phone number entry that is linked to your rewards card.
- Within 72 hours, TPESF will begin to receive a percentage of each shopping trip you make until August 31, 2012.
- You only have to scan this letter once to create the link between your card and TPESF. You must continue scanning your Ralphs Rewards Card/phone number during all purchases in order for our school to get credit.
- By scanning this barcode at the store, there is no need to register at Ralphs.com.
- If you think you are already signed up with Ralphs rewards, YOU ARE NOT. On September 1, 2011, Ralphs deleted their community contribution links. We will need to reregister every September.
- **And most importantly...TPES makes thousands of dollars from Ralphs alone. It's important to sign up. Pass this barcode along to your friends and family. It's free \$\$\$\$\$\$ for our school.**
- All instructions apply at Food 4 Less.
